UNA PEQUEÑA HISTORIA

(A Little History)

Munchies Olé was started with a special attitude in mind by my father, Ellis Urbina, Jr. My father's motto was, "If you can leave this world better than when you came into it, you will have achieved something worthwhile."

Since his passing on October 18, 1993 many people have come into Munchies, sharing stories about father and his life. Out of love and respect for his memory I wish to personally thank all of you for your kind words. I have endeavored to hold true to his words and memory, and to serve in our communities. In my mind, there is no greater call or reward in a person's life than that of service. Munchies tries to demonstrate this in our voluntary service to the local and neighboring communities by donating gift certificates to outstanding students and by helping in many other programs. We view our participation as a way of giving encouragement and showing appreciation to you, our loyal friends and family. We strive to offer a wholesome family atmosphere with quality and not quantity, with a constant pursuit towards a wider range of dishes.

Anything short of this is unacceptable and we ask your patience and understanding as we work to continue our goals for the future.

We hope you will let us continue to serve you, and that our success will be a testimony to my father's memory. Should you wish to speak with me, please feel free to ask the cashier to contact me and we will be glad to meet anytime that is convenient.

Vaya con Dios,
Chris Urbina
